

REMARKS

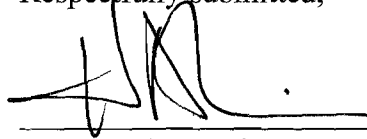

The Office Action states that claims 1, 3-11, 13-21, and 23-30 are allowed except for the formality of defining 'OSGI' in the independent claims. Applicants accordingly presently amend the independent claims with definitions of 'OSGI.' Applicants submit that OSGI was fully explained and enabled in the original application in this case, so that these present amendments add no new subject matter to the present application. Applicants submit in conclusion that these present amendments place the case in condition for allowance, in accordance with the Examiner's comments in the Office Action, and request an early notice of allowance.

The Commissioner is hereby authorized to charge or credit Deposit Account No. 09-0447 for any fees required or overpaid.
